¹This plan has an embedded out-of-pocket maximum. Individual family members aren't subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

²Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

³Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

⁴Scheduled prenatal visits and postpartum visits.

⁵Well-child visits through age 23 months.

⁶Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.

⁷Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays.

For information on our formulary, including the drugs on the specialty tier, go to kp.org/formulary or call our Member Service Contact Center.

⁸After the 5 days, additional days for the same admission are covered at no charge.

⁹Both base and supplemental DME are covered. Supplemental DME is limited to a combined maximum benefit of \$2,000 per year for services. Refer to the *Evidence of Coverage* for information on what's included in your DME benefit.

¹⁰Under age 19. 1 pair of eyeglasses from a limited selection.

¹¹Kaiser Permanente members are entitled to a discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts can't be combined with any other Health Plan vision benefit. The discounts won't apply to any sale, promotion, or packaged eyewear program; for any contact lens extended purchase agreement; or to low-vision aids or devices. Visit kp2020.org for Kaiser Permanente optical locations.
