<sup>1.</sup> This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible or out-of-pocket maximum is satisfied. Individual family members aren't subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met. 2. Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year. 3. Deductible is waived for first 3 visits combined for non-preventive primary care, specialty care, other practitioner care, urgent care, and mental/behavioral health and substance use disorder outpatient services. 4. Laboratory and diagnostic test, x-rays and MRI/CT/PET scans related to preventive services are no charge. 5. Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays. For information on our formulary, including the drugs on the specialty tier, go to kp.org/formulary or call our Member Service Contact Center. 6. Mail order: Up to a 100-day supply of qualified prescriptions for the cost of a 60-day supply. 7. This plan has a drug deductible of \$450 per individual and \$900 for family for prescription costs and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual drug deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible is satisfied. Individual family members aren't subject to cost sharing when they reach their individual out-of-pocket maximum benefit of \$2,000 per year for services (after plan deductible). Refer to the Evidence of Coverage for information on what's included in your DME benefit.
